

# 4th of July

## *Transportation & Safety*

### Welcome to The Sea Pines Resort!

Thank you for celebrating the 4th of July with us! If you plan to attend the festivities and fireworks in Harbour Town, please follow these helpful suggestions regarding transportation and safety:

- Parking is located in designated lots along Greenwood Drive; attendants will be present to direct you appropriately.
- Buses will transport guests to and from Harbour Town beginning at 4pm until approximately 11pm.
- Guests will be dropped off in Harbour Town in front of the Harbour Town Yacht Club. The line for return transportation will begin in the same area.
- Dining, music, shopping and fun will take place throughout the evening.
- Gregg Russell will perform from 8–9pm under the Liberty Oak.
- Fireworks will take place overlooking Calibogue Sound, and will start at approximately 9pm.
- If you are walking to Harbour Town by way of the golf course, please note that you must remain on the cart path until you reach the 18th fairway.
- Staff will be present to assist with loading buses in Harbour Town following the fireworks.
- The breezeways between the shops will be closed after the fireworks.
- The line for return transportation will begin near the Harbour Town Surf Shop and continue towards Harbour Town Christmas.

We appreciate your patience and cooperation while departing Harbour Town in an orderly fashion. Due to the popularity of the fireworks and the all-day festivities in Harbour Town, you may experience areas of congestion and transportation delays at the end of the evening.

**For everyone's safety and enjoyment, please note that the use of personal fireworks of any kind are prohibited, as is the use of wish lanterns.**
