

2008

St Patrick's Day Weekend Schedule

Important Schedule Changes For 2008 !

For the first time in recent history the city of Savannah will not be officially celebrating St. Patrick's Day on March 17th. The 2008 St. Patrick's Day Parade and celebration will be held on Friday, March 14th. There will be activities, music, food, and live entertainment through out the city and on the river front plaza Friday through Monday. We will be offering cruises to Savannah throughout the weekend and also on Monday March 17th. Join the crew for one of our St Patrick's Day excursions. This is the fastest and easiest way to get to Savannah for all the festivities. Cruise time is about seventy-five minutes each way, allowing plenty of time to enjoy the celebration in Savannah. The "Spirit" docks right on River Street, the heart of the party. All cruises aboard the heated and air-conditioned passenger yacht, "The Spirit of Harbour Town". Full Bar, snacks, and goodies available on board.
